ABOUT US

Knowledge Spring Training Institute is a private institution of higher learning that provides holistic quality education, training, research, consultancy and outreach activities for the service of God and humanity.

MISSION

To provide technical, industrial, vocational, and entrepreneurial training that promotes innovation and creativity to meet global socio-economic and environmental challenges.

VISION

To be a training Institute of excellence for technical, industrial, vocational and entrepreneurial training.

MOTTO

KNOWLEDGE IS WEALTH.

Our Objectives

- To foster reflective and constructivist teaching-learning approaches.
- To sensitize the learners towards social realities.
- To promote the effective use of technology in education.
- To encourage teaching practices grounded in educational research.
- To develop global competencies and life skills among students.
- To inculcate values through curricular and co-curricular activities.

What We Offer ?

It begins at the current state of the learner and ends where the learner is more successful. The end of the journey is not gaining more knowledge, it is converting the knowledge into actions. Keeping this in mind, all our training interventions are focused on business outcomes.
